

INDUSTRIAL FIRE HOSE HANGER

MODEL HH-100 FEATURES:

- Material: 12 gauge cold-rolled steel with zinc plated finish.
- Provides hose storage inside columns or close wall to help prevent damage from mobile equipment.
- Full length of hose is readily available by a swift downward pull of the hose.
- Unit will accommodate lined and unlined hose from 1" to 2½".
- Economical and easy to install.

CONSULT THE CHART TO DETERMINE THE APPROXIMATE REQUIRED SPACING DISTANCE BETWEEN THE UPPER AND LOWER HANGERS.

TOTAL LOOPS OF HOSE	HOSE LENGTH				
	50'	75'	100'	125'	150'
	DISTANCE BETWEEN HANGERS				
2	12'	-	-	-	-
3	8'	12'	-	-	-
4	6'	9'	12'	-	-
5	-	7'6"	10'	12'	-
6	-	6'	8'6"	10'	12'
7	-	-	7'	9'	10'
8	-	-	6'	8'	9'
