

**Over 45 years of unsurpassed quality manufacturing for the building construction and fire protection equipment industries.**

Larsen's Manufacturing Company is a leader in the building construction and fire protection equipment industry. We have participated in the Sweet's Catalog for over 30 years and recently received the *Architectural Record* Readers' Choice Award. Our Web site is one example of how we are using technology to serve you better.

We also welcome your telephone inquiries. If you can't find what you are looking for or require more information, we encourage you to call us toll-free at 800-527-7367 (800-LARSENS). Our professional staff is happy to take your calls and eager to assist you.

We have designed the information in our Web site for all participants in the building construction industry. For example:

- **Design Professionals** - You can view and print catalog pages containing color graphics and specifications.
- **Distributors** - You can download Submittal & Detail Sheets for all of our products.
- **Contractors and End-Users** - You can review our product information and then contact us, so that we can connect you with our worldwide distributor network.

You will find our contact information conveniently located at the bottom of our Web Site pages so you never have to search for it. We also provide convenient online contact forms near the bottom of most pages.

**Thank you for visiting Larsen's Manufacturing Company online!**

**Experience + Expertise = Excellence**
